Subject index

Key: c = correspondence, e = editorial, r = review, S = supplement 4

A

Acquired immunodeficiency syndrome (AIDS)
- ARDS and septic shock due to varicella 835c
- fatal *Aspergillus* pericarditis 831c
- interferon-gamma S456

Acute lung injury (ALI) (see also *ARDS* and *ARF*)
- bedside measurement of pulmonary capillary permeability 619e
- induced by N-nitroso-N-methylurethane 345
- induced by small injections of oleic acid 336
- pathogenesis 596e
- prevention by N-acetylcysteine pretreatment in cardiac surgery patients 900
- relationship between pulmonary oxygen consumption,lung inflammation and venous admixture 277
- response to nitric oxide inhalation 728

Acute respiratory distress syndrome (ARDS)
- and septic shock due to varicella in an HIV-infected man 835c
- after ecstasy poisoning 670
- after intravenous injection of crushed dextramoramide pills 270c
- combined effect of NO inhalation and intravenous prostaglandin 656
- definitions, severity, clinical outcome 519
- ECMO 91e
- editorial 517e
- effects of rapid permissive hypercapnia 182
- endothelin production 52
- in saline lavaged rabbits: permissive hypercapnia, pressure-limited ventilation and PEEP 1443
- intracorporeal gas exchange 91e
- model of by small injections of oleic acids in pigs 336
- nitric oxide 158
- pathophysiology 596r
- permissive hypercapnia 179e
- physiological effects of reduced tidal volume 192
- prognosis 371e
- prone position 1105
- pulmonary capillary permeability 619e
- surfactant replacement therapy 588

Acute respiratory failure (ARF) (see also *ALI* and *ARDS*)
- and intensive care treatment in bone-marrow transplanted patients 269c
- and necrotizing pancreatitis: treatment with octreotide 909
- long-term management in patients with metabolic myopathy 1406
- non-invasive mechanical ventilation 94
- right ventricular function and PEEP 772

Adhesion molecules
- effects of pentoxifylline 305
- in trauma and sepsis 122

Adrenocortical function
- after long-term cimetidine treatment 175c
- during septic shock and after complete recovery 894
- in septic shock 711c

Alcoholism
- complications in chronic alcoholic men after trauma 286

Albumin
